Map prepared by the City of Lincoln, Urban Development Dept 2/07 using County Assessor Parcel data. SITUS ADDRESS is compared to OWNER ADDRESS. If they match, it is considered an owner occupied parcel. If not, it is considered a rental. This is done for ALL parcels, not just residential. The County Assessor and Urban Development make no warranties as to the accuracy of this data. The data is only as good as the information given to the County Assessor by the property owner.
