August 5th Agenda Items to be Discussed:

- WNA's involvement in the city's plan to redevelop the former Husker Auto Group properties along O Street east of 48th Street
- Plans for WNA-wide garage sales Aug. 13 & 14
- Review draft bylaws and plans for Board and Officer elections in October

- Our input for the city's updating of a 10-year plan for Woods Park

We hope you will attend to hear about many of the interesting activities residents are doing to keep, protect and enhance the character of the neighborhood. In the process, we're meeting new friends and networking.

Witherbee on the Web

www.WitherbeeNA.org

The Witherbee Neighborhood Association launched its web site in January, with more pages, pictures and advertiser-supporters added during the past few weeks. We need and welcome your input and participation so we can add pages on links, history, home sales, garage sales, recipes and more.

If you know of someone who has pictures or information from past days of our neighborhood please ask them to contact us and contribute their information before it is lost forever. Thank you to those who have contributed already.

We want to publicize upcoming events and activities from your group on the web and in our newsletter. Please forward information and articles to us.

Contact Fred Freytag at 435-2465 for web page questions and input.
