## Cleanup, redevelopment among April 1 topics

### Neighbors, businesses invited to monthly association forum

You are invited to your neighborhood association's meeting! The Witherbee Neighborhood Association (WNA) began holding monthly meetings at Hawthorne School in March. There were many new faces at the March meeting. We hope you will attend on Thursday, April 1, to hear what WNA is about!

The monthly WNA meeting gives residents the opportunity to learn about current WNA activities, as well as to meet other residents and share ideas for future activities.

Who is in the Witherbee Neighborhood Association?  
The WNA includes residents (home owners and

tenants), businesses, schools and churches in central Lincoln within 33<sup>rd</sup> to 56<sup>th</sup> and O to Randolph streets.

**Witherbee Neighborhood Association monthly meeting, 7:30 p.m. April 1, 2004, at Hawthorne Elementary School, 300 S. 48<sup>th</sup> St.**

Items to be discussed include:

- Neighborhood Cleanup on Saturday, May 1
- Plans to redevelop the former Husker Auto Group properties along O Street east of 48<sup>th</sup> Street.
- Update on the City's discussions to change criteria for businesses to obtain a license to sell alcohol.
- WNA Summer Tour of Gardens and Watermelon Feed.
- 10-year plan for Woods Park

### New Friends Three Doors Down...

Ever had the thought that you should or wished you knew more of the people on your block? Ever wonder where they work, what their hobby is or if they know other people you know? WNA residents agree that the best thing about being involved in the group's

activities is the friendships that have been established that would not have happened otherwise. The meetings and activities have helped us meet nearby neighbors, as well as others several blocks away. We invite you to join the growing network of WNA-area residents.

### Redevelopment of 48<sup>th</sup> & O

The city has begun working on plans to redevelop the former Husker Auto Group properties – the vacant car lots along O Street, east of 48<sup>th</sup>. WNA residents who are interested in what the city will propose or who want to have their ideas and concerns included in the redevelopment plans – now is the time to speak up. As the saying goes – “Decisions are made by those who show up”. The Lincoln Urban Development Department is taking the lead on this project and will have a representative address the issue at the April 1 WNA meeting (Thursday, 7:30 p.m., Hawthorne School).
